

The Finish

- Pay attention after Finish until safely moored in Lahaina.
 - Don't let the last hour ruin the adventure
- There is 6 miles between Finish and Harbour
 - Use the time wisely
 - Store sails & loose gear
 - Get anchor and mooring gear ready
 - Ensure you have personal items (ID and passports)
- Then get ready for a warm welcome!

Finish Line

- The Finish is automated. Your time will be taken by YB tracker
- There is no Committee Boat or sound signal when you cross line
 - You may have confirmation by VHF
- Will be met by LYC pilot boat after Finish
 - Someone will come aboard to ASSIST your entrance into Lahaina
 - BUT Skipper still responsible for boat and course

Lahaina

- Prepare to anchor out in Roadstead
 - Mooring may be available, but don't count on it
- Boats will probably come to temporary dock for meeting family and Greeting Party
 - You cannot stay there for more than a few hours
 - Beware of shallow draft
 - Lots of ferries and tourist boats to cause trouble
- Don't let your guard down until boat is safely moored for the night.

Delivery Home

- Greeting Party and Reunions with family & friends leads to a well-deserved sleep
- THEN you need to think about preparations for voyage home
 - Assign jobs to crew to help before they melt away
 - Arrange for specific times for work parties
 - Shuttle boat arrangements
 - Time at gas dock for loading fuel, water, food

Get Home Safely

- Talk to other Skippers about their departure plans – coordinate if possible
- Consider YB tracker for delivery
- Vic-Maui can provide roll call service for boats that desire it
- Check in with Vic-Maui when safely home
