Message from RVYC Commodore

On behalf of all members of Royal Vancouver Yacht Club, Royal Victoria Yacht Club and the Lahaina Yacht Club, we take pleasure in welcoming all competitors, their families and friends to Vic-Maui 2008. This year marks the 21st official sailing of this respected and challenging international event. This did not happen by accident. It is a result of the hard work of each successive race committee. We thank all volunteers, sponsors, and government officials in Victoria and Lahaina.

We look forward to waving goodbye to all crews in Victoria. We look forward to greeting everyone on their safe arrival in Maui.

All armchair sailors and supporters on the West Coast and in Maui will be electronically following your progress. It will be the party of the year when you land. Please enjoy all of the post-race activities and the island hospitality of the Lahaina Yacht Club.

Safe journey,

Howard Bradbrooke
Commodore

Message from LYC Commodore

Aloha,

Welcome to the 21st Vic-Maui International Yacht Race. Once again this year, the Lahaina Yacht Club will host an “unofficial” Mai Tai event on the docks in Victoria and provide the traditional Maui “Greeting” at the finish of the race. Between the Mai Tais and the finish, the participating yachts and crews will do their utmost to chart the swiftest course and hopefully reach Maui in record time.

I would like to say Mahalo (Thank you) to all of the participants in this year’s event for committing the time and resources necessary to make this race a reality. I would also like to say Mahalo to all of the race volunteers from the Royal Vancouver Yacht Club, Royal Victoria Yacht Club and the Lahaina Yacht Club. There is an unbelievable amount of time and effort that goes into producing a race of this magnitude, on both sides of the Pacific Ocean, and without your help, this race would not happen. Finally, Mahalo to all of this year’s sponsors, whose donations of time and money help make this race possible.

My wife Lynn and I are really looking forward to being at both ends of the race this year. So, may the winds be fair, the seas calm, and the racing fast.

Steve Tenney
Commodore

History of the Vic-Maui Yacht Race

The first Vic-Maui race was sailed in 1965. The race was a dream of Royal Vancouver Yacht Club member Jim Innes who at that time was a Captain for Canadian Pacific Airlines. Jim apparently talked incessantly about the idea of such a race originating from Victoria and ending in some 2308 nautical miles away in Maui.

He convinced three other skippers to start with him off Brotchie Ledge in 1965. Joining Jim and his Lapworth 36 *Long Gone* was Lol Killam of Royal Vancouver Yacht Club with the 45' sloop *Velaris*, Ron Ramsay of the Royal Victoria Yacht Club with the 45' ketch *Norena of Wight* and Boo Paskel from Seattle Yacht Club with his 73' ketch *Tatoosh*.

The race and the weather were typical for most of the races to follow. Westerlies in the Juan de Fuca Strait, left turn down the coast to about the latitude of San Francisco followed by a right turn with the northeasterly trade winds filling spinnakers and the downhill sun run to Maui. Three boats finished the race some 15 days later at Kahalui Harbour on the north coast of Maui. The fourth *Tatoosh*, having used the iron spinnaker, greeted the three arrivals with Mai Tais. During their stay in Maui they met up with the originators of what would become the Lahaina Yacht Club.

Upon returning to BC waters both Jim and Lol proceeded to convince the RVYC and the newly organized LYC to jointly sponsor such a race and thusly the Vic-Maui International Yacht Race was born. The first official race was in 1968 with some 14 boats entered. Bill Killam's *Porpoise III* swept the fleet first to finish and first on corrected time. She took 17 days, 6 hours and 50 minutes.

The race, heralded as a FUN RACE has encouraged both the ardent racer and the cruiser racer. It has been held every even year since 1968 with 2008 being our 21st race. The number of entrants has ranged from 10 to 37 boats.

Records have been broken many times since this first race of 1968. The current record holder is *Grand Illusion* skippered by James McDowell of the LYC who completed the race in 9 days, 2 hours and 8 minutes in 2000 beating out the previous record of 9 days, 19 hours and 36 minutes set by *Pyewacket* skippered by Roy Disney in 1996.
